

# Peter Tosh, Jah Guide

Here though I trod through this valley  
I will fear no evil  
"(2x)"  
'Cause I know  
Jah Guide "(3x)"  
Jah Guide "(2x)" I through this valley  
And I know he will  
When I'm trodding through this valley  
I know he will

"Chorus:"  
Though my enemies fight me everyday  
I will fear no evil  
Though my enemies set traps in my way  
Still I will fear no evil

"Chorus"

Many petty workers dig pits every day  
But I don't fear no evil  
Out-a-quity workers fight me everyday  
Still I will fear no evil

"Chorus"

Pestilence lurks in dark places  
And I fear no evil  
Destruction walk with smiling faces  
Still I will fear no evil

"Chorus"

When I'm walking the streets  
I know he will "(Precedes each line below)"  
When I'm smoking my pipe  
When I'm troddin the earth  
When I'm driving the road  
When they dig pits in my way  
When they try to keep me down
