Peter Tosh, Ketchy Shuby

Come make we play some
ketchy shuby
and when me shuby
you feel ketchy

And when you're ketchy
don't make it drop
'cause if it drop
it will pop

And if it pop
no one can mend it
'cause if them mend it
you can easily bend it

so we ah go
"Chorus:"
ketchy, ketchy shuby, shuby tonight

all night long we ah go
"Chorus"

tell me if you like it
"Chorus"

all night long we ah go
"Chorus"

It don't take too long to learn
just you do as I say
It may only take one hours or two
and by the next time you will know what to do

we ah go
"Chorus"

me and you ah go
"Chorus"

all night long we ah go
"Chorus"

mhmhm
"Chorus"

"(repeat first 3 verses)"

so we ah go
"Chorus"

all night long we ah go
"Chorus"

your mama don't like it
"Chorus"

your papa don't like it
"Chorus"

long time I'm waitin'
"Chorus"

"Chorus"

all night long we ah go
"Chorus"

"Chorus"

tell me if you like it
"Chorus"

all night long, all night long
"Chorus"
