

# Peter Tosh, No Nuclear War

"Chorus:"

No Nuclear War  
We don't want no nuclear war  
With nuclear war we won't get far  
I said that We don't want no nuclear war  
With nuclear war we won't get far  
Said no, just another holocaust  
It's just another holocaust  
And we can't take no more

Too many people are hungry  
They don't have food to eat  
They are naked  
'Cause they don't have clothes to wear

They are going insane  
Because of the condition  
A million babies  
Are suffering from malnutrition

"Chorus"  
I can't take no more

I saw World War One  
Where lotsa trouble begun  
I saw World War Two  
When the pirates came right through

Lookin' for World War Three  
But you got to set me free  
Free from the chains  
And this here misery

"Chorus"  
We can't take no more

Unemployment  
I said the rate is high  
So much sick people  
I'm sure they gonna die

So much mad people  
Gettin' ready to explode  
'Fore somebody  
Come help them carry this load

"Chorus"

One country deploying MX  
Another country deploying SS  
Inflation goin' way up high  
And the dollar is going way down low

"Chorus"

Crying, bawling, they can't take no more  
I hear them moaning they can't take no more  
They don't wanna die  
They want to go to Heaven, yeah

But they can't  
They can't take no more  
They gettin' low  
They can't take no more

They gettin' grief  
They can't take no more  
They gettin' beat  
They can't take no more

They gettin' lazy  
Cause They can't take no more  
Bored  
They can't take no more

Frustrated  
They can't take no more  
Pleading for them  
They can't take no more

Can't you hear me pleading for them  
Cause They can't take no more

They want to live in peace  
And happiness  
Let the trees grow  
Let the waters flow...
