Peter Tosh, Not Gonna Give It Up

CHORUS

I'm not gonna give it up I'm not goin' I'm not gonna give it up I'm not goin' I will be fighting I've got to be fighting I will be fighting Til Africa And Africans are free

I said that I been up there And I've seen poverty beyond compare I know slave drivers just don't care They just don't care

CHORUS

Africa's the richest place But it has the poorest race And to me it's just a disgrace Just a disgrace

Africans don't wait too long We gotta fight 'cause it's not wrong Won't you join in and sing this song Sing this song

CHORUS

To be poor it's a hurtful pain Livin inna poverty it's a burning shame Help yourself 'cause man you're not lame You are not lame
