

Peter Tosh, Till Your Well Runs Dry

You said you loved me
and then you left
you broke every promise
you win every bet

(Chorus)
you never miss your water
till your well runs dry
so tell me tell me
whatcha gonna do
when your well runs dry

Listen to me darlin'
you cheat and you lie
now you come a runnin
runnin, wanting second try

Chorus

Sat down and sighed
and I heard you packin
I watched you pass by me
but you said nothin'
not one single word but I know
you're gonna miss me
and you're gonna be blue

Chorus
