## Petra, He Came, He Saw, He Conqured

He came alone into the battle He knew nobody else could face His foe He left His throne, He left His glory He knew nobody else could ever go

He called the bluff, He took the challenge He came into this world to seek and save No one could know, no one could fathom The way to it was only throgh the grave

They laid Him in His tomb
The thought they sealed His doom
But He arose! He arose!

(chorus)
He came, He saw, He conqured death and hell
He came, He saw, He is alive and well
He was, He is, and only He forgives

He came, He saw, He conqured

He died, He rose, He lives

The doors were locked; they heard a knockin'
They were afraid they would be taken, too
Only a voice said, "Come and follow.
"Come and see the things the Lord can do"

They went to where He lay They stone was rolled away He arose! He arose!

(chorus)

He came into this world; He saw humanity He heard the S. O. S.; He met the Enemy The Enemy was conqured! The Enemy was conqured!

He arose! He arose!

(chorus)
