

Petula Clark, I Couldn't Live Without Your Love

You're the only one that I rely on
A shoulder there for me to cry on
And the hours alone that I'm without you
All I ever do is think about you
No one knows that you're so understanding
Even though my love is so demanding
Every time you look at me,
Then you'll know we'll both agree
That no other love could be
I couldn't live without your love
Now, I know you're really mine
I gotta have you all the time
Didn't like you much when I first met you
But somehow, I couldn't quite forget you
Said you didn't want a friend or lover
That your life was happy with another
But as time went by, my love grew stronger
Knew that I just couldn't wait any longer
For I couldn't let you go
And I had to tell you so
That I loved you, then you'd know,
the tears are gone and I'm not cryin'
When you say you love me, you're not lyin'
So, when people want to stare,
I know I don't really care
Just as long as you are there
