

Pharrell Williams, Come Get It Bae (feat. Miley Cyrus)

You miss me?
I miss all of y'all
Why y'all girls standin' together like that, I can't take it

Women, I can do anything you like
I can do anything you need
And I got a better body
Than the magazines you read

None of them boys know the first thing about your fantasy
And if they tried, they can not do it just like me

[Miley Cyrus:]
I know you certainly been gone
And it's been much too long
And there's some things we need to do
So I know you need to get home

[Pharrell Williams & Miley Cyrus:]
Come get it bae
Come get it bae
Come get it bae
Come get it bae
You wanna ride it, my motorcycle
You've got a license, but you got the right to
Gonna pop a wheelie, don't try too high too
Take it easy on the clutch, cause girl I like you

I can see it the way you like
I can do anything you need
I can give you dirty looks
Like them niggas that's on T.V

None of them boys know the first thing about your fantasy
And if they tried, they can not do it just like me

[Miley Cyrus:]
I know you certainly been gone
And it's been much too long
And there's some things we need to do
So I know you need to get home

[Pharrell Williams & Miley Cyrus:]
Come get it bae
Come get it bae
Come get it bae
Come get it bae
You wanna ride it, my motorcycle
You've got a license, but you got the right to
Gonna pop a wheelie, don't try too high too
Take it easy on the clutch, cause girl I like you

[Pharrell Williams & Miley Cyrus:]
There comes a time (comes a time), the craving will grab your wrist
You'll need a sugar fix, baby
There comes a time (comes a time), and you won't believe what you'll do
When that sugar's callin' you
Girl, there will come a time (sugar, sugar), this is where you wanna be
H-O-M-E, (sugar, sugar) satisfaction guaranteed
And there will come a time, this is where you wanna be
Cause it's everything you need, you will only find in me

Come get it bae
Come get it bae

Come get it bae
Come get it bae

[Pharrell Williams & Miley Cyrus:]

Come get it bae
Come get it bae
Come get it bae
Come get it bae
You wanna ride it, my motorcycle
You've got a license, but you got the right to
Gonna pop a wheelie, don't try too high too
Take it easy on the clutch, cause girl I like you
