

Pharrell Williams, Crave

Crave,
Come on
Move like that!
Look at here, can you move like that?
Huh, move like that
Look at here, can you move like that?

It keeps me up (crave)
Anxiety (crave)
And then I'm yearning
Machine gun, proper bang-bang
I keep rollin' over (crave)
I can't get no sleep (crave)
My love is pourin', yeah from ya
Machine gun proper bang-bang

Bang bang, feel the pain
Everybody, feel the pain
Bang bang, feel the pain
Everybody, feel the pain

So help me (cravin')
I'm on the sidewalk (you got me cravin')
I'm fallin' over (you got me cravin')
Rockin' back and forth (you got me holdin' my hand)
So help me (I'm cravin')
I'm on the sidewalk (you got me cravin')
I'm fallin' over (you got me cravin')
Rockin' back and forth (so I'm here waitin')
For you, girl
(Let's party!)

What?

Take what you want (crave)
Take what you need (crave)
Move me around, baby
With your machine gun, proper bang-bang
And I'm so gone
Girl now you're free
You shoot me down baby, from your...
Machine gun, proper bang-bang

Bang bang, feel the pain
(Oh you got me)
Everybody, feel the pain
(In a heartbeat)
Bang bang, feel the pain
(I give up)
Everybody, feel the pain

So help me (cravin')
I'm on the sidewalk (you got me cravin')
I'm fallin' over (you got me cravin')
Rockin' back and forth (you got me holdin' my hand)
So help me (I'm cravin')
I'm on the sidewalk (you got me cravin')
I'm fallin' over (you got me cravin')
Rockin' back and forth (so I'm here waitin')
For you, girl

Help me,
Help me,
Help me,

Help me,
