Pharrell Williams, Let's Get Blown

(Snoop: Yes sur...)

(Chorus)

Can I get my thrills You know you want some mo girl, So come on Can I get my thrills You know you want some mo girl, So come on Let's get blown Let's get blown

(Verse 1)

Snoop dogg-Lookin' at the ladies All of them fly I don't know which one I want dog I can't make up my mind girl So won't you make it easy on me Take this drink and hit this weed Two step wit me Let's slip to the dance floor On an on, on, an on we go I'll dip you if you want me to You see I want to get a little funk? wit you Biggity bunk wit you A nigga wanna hump you And just comfort you And then I'll pop the top And lay you on a cot? And get you nice and hot Yeah yeah it's all to the real We can do it like I... Come on girl let's chill

(Chorus)

Can I get my thrills You know you want some mo girl, So come on Can I get my thrills You know you want some mo girl, So come on Let's get blown Let's get blown

(Verse 2)

Now you can fly the friendly skys Wit the S-N- double O-P D-O- double G-Y Now don't ask why Just keep lookin' good in the hood Damn girl you so fly We could do what you want to You say you drink Alaze Or was it Malibu It don't really matter doh You remind me of the time when I had a ho She kept telling me Doggy dog I gotta go So I let her get in the wind And cope mack a friend 2+2 it equals four This is some shit that could last for forever mo' I'm tryin' to put my bid in Na I'm just kiddin

Come on ma wit in And don't ask where we goin' Pimpn' and hoe-in' drink flown' and weed blowin' You know it come on

(Chorus)

Can I get my thrills You know you want some mo girl, So come on Can I get my thrills You know you want some mo girl, So come on Let's get blown Let's get blown

(Bridge)

Come here baby let me holla at you real quick... I've been lookin' at you
From the corners of my eyes
Checking at your hips. lips, tips, and you thighs
I've been wanting to do you
For a mighty long time
You make a pimp want to sing ei ei ei

(Verse 3)

From the head to the hills
Your dreams are fullfilled
We could do it how you want
Cause I'm oh so real
Telling you naw
I won't sqweel
You wit the big boss dogg
So seal the deal
Pharreal got the baby face
And dog got the wipper pill
So name the place
This love I bring to you
On the real baby girl
Won't you give me your fav and sing for snoop

(Chorus)

Can I get my thrills You know you want some mo girl, So come on Can I get my thrills You know you want some mo girl, So come on Let's get blown Let's get blown

(Pharrell)
You know you want it
(If I got it I'ma' give it to you)
So come and get it
(If I got it I'ma' give it to you)
If I got it
(If I got it I'ma' give it to you)
Then you can get it, u know
Hey...

Can I get my thrills Can I get my thrills......(fades)
