Phish, Brian & Robert

If you're just staring at your walls Observing echoing footfalls From tenants wandering distant halls Then this one is for you

If children playing all around To you is noise not pleasant sound And you'd be lost on the playground Then this one is for you

All alone the life you lead A silent diner where you feed Bow your head pretend to read This one is for you

Slip past strangers in the street There's no one that you care to meet Longing for your tv seat This one is for you
