

# Phoenix, Identical (piosenka z filmu On the Rocks)

Tell me you're tryin'  
Tryin' to regret  
Playin' all night those video tapes  
I am no prophet,  
i ma your friend  
Take my advice  
Make your mistakes

I am right beside you  
I am full that i know you  
I am toldd that it;s not fauld  
I'd ratht fall  
And lose control again
