

Pink, All I Know So Far

I haven't always been this way
I wasn't born a renegade
I fe;t alone still feel afraid
I stumble though ut anyway

I wish someone wouldn've tole me
Taht this life is ours to choose
No one's handing you the keys
Or a book with all the rules
The little that i know
I'll tell you
When they dress you up In lies
And you're left naked with the truth

You throw your head back
And you spit in the wind
Let the walls crack
Cause it lets the light in
Let 'em drag you through hell
They can't tell you to change who you are
That's all i know so far
And when the storoms out
You run in the rain
Put your sword down
Drive right int pain
Stay unfiltered and loud
You be proud of that skun full of scars
That's all i know so far
That's all i know so far

That's all i know
That's all i know so far
That's all i know
That's all i know so far

You might give yourself away
Pay full price for each mistakes
But when the Candy coating hides
The razor blad
You can cut yourself loose
And use the range

I wish someone wouldn've tole me
Taht this life is ours to choose
No one's handing you the keys
Or a book with all the rules
The little that i know
I'll tell you
When they dress you up In lies
And you're left naked with the truth

You throw your head back
And you spit in the wind
Let the walls crack
Cause it lets the light in
Let 'em drag you through hell
They can't tell you to change who you are
That's all i know so far
And when the storoms out
You run in the rain
Put your sword down
Drive right int pain
Stay unfiltered and loud
You be proud of that skun full of scars

That's all i know so far
That's all i know so far

That's all i know
That's all i know so far
That's all i know
That's all i know so far
That's all i know
That's all i know so far
That's all i know
That's all i know so far

I will be wit hyou
Till the world blows up, yehs
Un and down and through
Till the world blows up, yeas
(...)

Just throw your head back
And you spit in the wind
Let the walls crack
Cause it lets the light in
Let 'em drag you through hell
They can't tell you to change who you are
That's all i know so far
And when the storoms out
You run in the rain
Put your sword down
Drive right int pain
Stay unflitered and loud
You be proud of that skun full of scars
That's all i know so far
That's all i know so far

That's all i know
That's all i know so far
That's all i know
That's all i know so far
That's all i know
That's all i know so far
That's all i know
That's all i know so far
