

# Pink, Glitter In The Air

Have you ever fed a lover with just your hands?  
Close your eyes and trust it, just trust it  
Have you ever thrown a fist full of glitter in the air?  
Have you ever looked fear in the face  
And said I just don't care?

It's only half past the point of no return  
The tip of the ice burg  
The sun before the burn  
The thunder before lightning  
The breathe before the phrase  
Have you ever felt this way?

Have you ever hated yourself for staring at the phone?  
You're whole life waiting on the ring to prove you're not alone  
Have you ever been touched so gently you had to cry?  
Have you ever invited a stranger to come inside?

It's only half past the point of oblivion  
The hourglass on the table  
The walk before the run  
The breathe before the kiss  
And the fear before the flames  
Have you ever felt this way?

La La La La La La La La

There you are, sitting in the garden  
Clutching my coffee,  
Calling me sugar  
You called me sugar

Have you ever wished for an endless night?  
Lassoed the moon and the stars and pulled that rope tight  
Have you ever held your breath and asked yourself will it ever get better than tonight?  
Tonight
