

# Pink, Just Like A Pill (Remix)

I'm lying here on the floor  
where you left me  
I think I took too much.  
I'm crying here  
What have you done?  
I thought it would be fun

I can't stay on this life support  
There's a shortage at the switch  
I can't stay on your morfine  
Cause it's making me itch  
I tried to call the nurse again  
but she's being a little bitch  
I think i'll get out of here where i can..

Chours:  
run just as fast as I can  
To the middle of nowhere  
To the middle of my frustrated tears  
And I swear you are just like a pill  
instead of making me better  
You keep making me ill

I haven't moved from the spot where you left me  
It must be a bad trip  
all the other men  
were different  
maybe I should get some help

Chours.....
