

# Pink, Let Me Let You Know

Dear baby, I'm not sorry for leavin you this way  
But I know that I should have told you face-to-face  
We've always been straight up so I, I won't waste your time  
I'm leavin, say good-bye, because I know what you did last night

[Chorus:]

Let me let you know, yeah  
That I'm leavin baby  
Let me let you know, yeah  
That I'm leavin baby  
Let me let you know  
I don't know where I'm goin but I'm goin far from here  
Let me let you know yeah  
That I'm leavin baby

One more thing before I go, I hope you feel alone  
Cuz I'm definitely tired of waiting for you to come home  
(been waitin for you at home)  
We've always been straight up, so I, I'll just take what's mine  
I'm leavin, say good-bye, because you hurt me for the last time  
Let me, let you know

[Repeat Chorus]

Whatever your excuse is, I'm sure, I've heard them all before  
Time and time again I told ya, that I need you more  
Now I'm walkin out the door

[Repeat Chorus]

Ooh baby, I'm just here to let you know honey  
Ooh, yeah  
Here to let you know  
Let me let you know yeah  
I'm leavin

[Repeat Chorus to fade]
