

# Pink, Misery

Pink:  
Shadows are fallin' all over town  
Another night and these blues got me down  
Oh misery ... I sure could use some company

(Steve Tyler):  
Since YOU'VE been gone

(Both)  
I ain't been the same

(Steve Tyler):  
I carry the weight like an old ball and chain

(both)  
Guess it's all meant to be ... for love to cause me misery

Pink & Steven Tyler:  
Oh, misery ... Oh, misery ...  
Tell me, why does my heart

(Pink)  
Make a fool of me?  
Seems it's my destiny,  
for love to cause me misery

Pink & Steven Tyler:  
And Oh, I've been down this road before  
(pink)  
where the passion it turns into pain  
(both)  
And each time I saw love walk out the door  
I swore I'd never get caught up again

Pink:  
But ain't it true ... It takes what it takes  
And sometimes, we get too smart too late

Steven Tyler:  
One more heartache for me

pink and Steven Tyler:  
Another night in misery

Pink & Steven Tyler:  
Misery ... Misery ...

Pink  
Tell me, why does my heart make a fool of me?

Pink & Steven Tyler  
Misery ... Misery ...  
Tell me, why does my heart make a fool of me?

Pink:  
Seems it's my destiny,  
for love to cause misery

Steven Tyler In The Background  
Misery... Misery...

Guess it's all meant to be,  
for love to cause me misery
