

# Pink, Numb

No sleep, no sex for you from your ex-girlfriend  
I was too deep can't let you call me just jump in  
At times I would push my feelings aside to let you feel  
I'm novocaine I'm numb and nothing's real

Like the coldest winter  
I am frozen from you

I was weak before now you've made me  
So numb I can't feel much for you anymore  
I gave you my all my baby  
I'm numb, numb, numb

But the tears were silent inside, you see  
But the tears were silent inside, you see

I laid there quiet  
And watched you have your way with me  
I might have cried  
But the tears were silent inside, you see

You called me names  
Made me feel like I was dumb  
I didn't feel a thing  
And now I'm gone, gone, gone

Like a battered child  
I got used to your pain but you know it's 'cause

I was weak before now you've made me  
So numb I can't feel much for you anymore  
I gave you my all my baby  
I'm numb, numb, numb (x4)
