

Pink, Radical Read

Oh Radical Read you make me want to scream
Radical read I just know you are not mean

Who are you going to homecoming with
Cause i would love to take you (take you)

Oh radical read you blow my mind
Radical read you are so kind

My favorite friend of sexy sarah
I wish my name was Kenny or Kara

Leesville is your high school
That is really really cool

I tryed on the same shirt you had
But it mad me look really bad
