

# Pink, Stop Falling

I ain't looking for a steady thing  
I ain't looking for what love brings  
I'm still young and I ain't ready babe  
I'm still looking for some better days  
I don't want to give you everything  
I just want to make you feel things  
If you ain't down to give me everything  
Just throw it away

Don't assume cause I'm a woman that I'll fall in love  
Don't expect I'm young and need to be took care of  
Don't wanna hear you've got what I need  
Cause how would you know before we speak  
You've got to understand my side  
I've had a crazy, crazy life  
Nobody came along to open up my eyes  
You better take what you can get  
Don't even bother with my heart  
If I get a feeling I won't let it start

I ain't looking for a steady thing  
I ain't looking for what love brings  
I'm still young and I ain't ready babe  
I'm still looking for some better days  
I don't want to give you everything  
I just want to make you feel things  
If you ain't down to give me everything  
Just throw it away

Please believe me I've been down this road and back again  
Learned a lesson and it was that love is not a friend  
The day I put my trust in you  
Will be the day I say 'I do'  
Don't expect me just to open up  
Maybe I'm just a little scared  
Please don't tell me what you think I wanna hear  
Oh baby save it I've heard it all before  
There ain't nothing you could say  
Ohhh to make me change my mind

I ain't looking for a steady thing  
I ain't looking for what love brings  
I'm still young and I ain't ready babe  
I'm still looking for some better days  
I don't want to give you everything  
I just want to make you feel things  
If you ain't down to give me everything  
Just throw it away

So stop falling  
Stop falling  
You know you're falling, for me.  
Stop falling  
Stop falling.  
Stop falling, for me

You've got to understand my side  
I've had a crazy, crazy life  
Nobody came along to open up my eyes  
Oh baby, take what you can get  
Don't even bother with my heart  
If I get a feeling I won't let it start

I ain't looking for a steady thing

I ain't looking for what love brings  
I'm still young and I ain't ready babe  
I'm still looking for some better days  
I don't want to give you everything  
I just want to make you feel things  
If you ain't down to give me everything  
Just throw it away

Stop falling, mmmmm...yeah...
