Pink, Stop Falling

[Chorus:]
I ain't lookin for a steady thing
I ain't lookin for what love brings
I'm still young and I ain't ready babe
I'm still lookin for some better days
I don't wanna give you everything
I just wanna make you feel things
If you ain't down to give me everything
Just throw it away

Don't assume cuz I'm a woman
That I'll fall in love
Don't expect I'm young and need to be took care of
Don't wanna hear you got what I need
Cuz how would you know before we speak
You've gotta understand my side
I've had a crazy, crazy life
Nobody came along to open up my eyes
You've gotta take what you can get
Don't even bother with my heart
Cuz I get a feeling I won't let it start

[Repeat Chorus]

Please believe me
I've been down this road and back again
Learned my lesson and it was that love is not my friend
For the day I put my trust in you
Would be the day I say "I do"
Don't expect me just to open up
Maybe I'm just a little scared
Please don't tell me what you think I wanna hear
Oh baby save it, I've heard it all before
There ain't nothin you could say, whoa, to make me change my ways

[Repeat Chorus]

So stop falling
Stop falling
You know you're falling....for me
Stop falling
Stop falling
Stop falling...for me
You've gotta understand my side
I've had a crazy, crazy life
Nobody came along to open up my eyes
Oh baby, take what you can get
Don't even bother with my heart
I get a feeling I won't let it start

[Repeat Chorus]

Stop falling...
