

# Pink Sweat\$, Real Thing (feat. Tori Kelly)

Your hand in mine is so divine  
The stars in the sky sing praises at night  
Sunday morning, sunrise  
Your eyes on me, collide  
Adore you, I do, no lie  
I'm yours and you're mine for life  
You make me feel like Heaven is a real place  
I'll bet on us 'cause I know it's the real thing  
You make me feel like Heaven ain't so far away  
'Cause with you, I know I got the real thing  
Got the real thing  
I got the real thing  
Got the real thing  
With you, I know I got the real  
When you're touching me  
Put my soul at ease  
Your love's so sweet, yeah, the angel's sing  
Sunday morning, sunrise  
Your eyes on me, collide  
Adore you, I do, no lie  
I'm yours and you're mine for life  
You make me feel like Heaven is a real place  
I'll bet on us 'cause I know it's the real thing  
You make me feel like Heaven ain't so far away  
'Cause with you, I know I got the real thing  
Got the real thing  
I got the real thing (got the real thing)  
Got the real thing  
With you, know I got the real  
La-la-la-la  
La-la-la-la  
La-la-la-la  
Real thing  
La-la-la-la  
La-la-la-la  
La-la-la-la  
You make me feel like Heaven is a real place  
I bet on us 'cause I know it's the real thing  
You make me feel like Heaven ain't so far away  
'Cause with you, I know I got the real thing
