

Pink, True Love (ft. Lily Allen)

Sometimes I hate every single stupid word you say
Sometimes I wanna slap you in your whole face
There's no one quite like you
You push all my buttons down
I know life would suck without you

At the same time, I wanna hug you
I wanna wrap my hands around your neck
You're an asshole but I love you
And you make me so mad I ask myself
Why I'm still here or where could I go
You're the only love I've ever known
But I hate you
I really hate you, so much
I think it must be

True love true love
It must be true love
Nothing else can break my heart like true love
True love, it must be true love
No one else can break my heart like you

Just once tried to wrap your little grain around my feelings
Just once please try no to be so mean
Repeat after me now r-o-m-a-n-tic
Come on I'll say it slowly
You can do it babe

At the same time, I wanna hug you
I wanna wrap my hands around your neck
You're an asshole but I love you
And you make me so mad I ask myself
Why I'm still here, or where could I go
You're the only love I've ever known
But I hate you
I really hate you, so much
I think it must be

True love true love
It must be true love
Nothing else can break my heart like true love
True love, it must be true love
No one else can break my heart like you

Why do you walk me off the wrong way
Why do you say the things that you say
Sometimes I wonder how we ever came to be
But without you I'm incomplete

I think it must true love true love
It must be true love
Nothing else can break my heart like true love
True love, it must be true love
No one else can break my heart like you, like you
No one else can break my heart like you
