Pink, Wild Hearts Can't Be Broken

I will have to die for this i fear there's rage and terror and there's sickness here I fight because I have to I fight for us to know the truth There's not enough rope to tie me down there's not enough tape to shut this mouth the stones you throw can make me bleed but won't stop until we're free wild hearts can't be broken no, wild hearts can't be broken

this is my rally cry
I know it's hard
we have to try
this is a battle I must win
to want my share is not a sin
there's not enough rope to tie me down
there's not enough tape to shut this mouth
the stones you throw can make me bleed
but won't stop until we're free
wild hearts can't be broken
no, wild hearts can't be broken

you're losing, we're winning my spirit above me you cannot deny me my freedom is burning this broken world keeps turning I'll never surrender there's nothing, but a victory

there's not enough rope to tie me down there's not enough tape to shut this mouth the stones you throw can make me bleed but won't stop until we're free wild hearts can't be broken no, wild hearts can't be broken
