

Pink, You And Your Hand

Uh uh uh uh uh uh uh oh
Uh uh uh uh uh uh uh oh

Check it out
Going out
On the late night
Looking tight
Feeling nice
It's a cock fight
I can tell
I just know
That it's going down
Tonight
At the door we don't wait 'cause we know them
At the bar six shots just beginning
That's when dickhead put his hands on me
But you see

I'm not here for your entertainment
You don't really wanna mess with me tonight
Just stop and take a second
I was fine before you walked into my life
Cause you know it's over
Before it began
Keep your drink, just gimme the money
It's just you and your hand tonight

Uh uh uh uh uh uh uh oh
Uh uh uh uh uh uh uh oh

Midnight
I'm drunk
I don't give a f**k
Wanna dance
By myself
Guess you're outta luck
Don't touch
Back up
I'm not the one
by-bye
Listen up, it's just not happening

You can say what you want to your boyfriends
Just let me have my fun tonight-aight

I'm not here for your entertainment
You don't really wanna mess with me tonight
Just stop and take a second
I was fine before you walked into my life
Cause you know it's over
Before it began
Keep your drink, just gimme the money
It's just you and your hand tonight

Uh uh uh uh uh uh uh oh
Break break break break
Break it down

In the corner with your boys you bet up five bucks
To get at the girl that just walked in but she thinks you suck
We didn't get all dressed up just for you to see
So quit spilling your drinks on me yeah

You know who you are
High five and talkin' shit, but you're going home alone aren'tcha?

'Cause I'm not here for your entertainment (No)
You don't really want to mess with me tonight
Just stop and take a second (Just stop and take a second)
I was fine before you walked into my life
Cause you know it's over (Know it's over)
Before it began
Keep your drink just gimme the money
It's just you and your hand tonight (It's just you and your hand)

I'm not here for your entertainment (No no no)
You don't really want to mess with me tonight
Just stop and take a second (Just take a second)
I was fine before you walked into my life
Cause you know it's over
Before it began
Keep your drink just gimme the money
It's just you and your hand tonight
