

Pinnawela, Are u sure (feat. Ania Karwan)

You went through lot of stuff with me
Despite your doubts I did believe
As we grew in years we grew with strength
Full of hopes we made our plans
Now I could say it wasnt fair
To brake up with me, your shining pearl
What happened with me?
What happened with you?
What happened with us?
I still want you
I still want you in my life
I will miss you
Although I will try not
Not to cry
I will cry for you
I will cry for a long time
But I wont keep you, no no
Although it would be nice
Does it have to end like this
Are you sure my dear
You remember how we met
What did you feel that day
What did you feel
2. Karwan part
My friend
I know how strong you are
Hes gone
But you just gonna grow
We are smart
We know what we looking for
Real love with no doubts
Love for sure
Honey look ate you
And tell me what you see
Isnt it a girl that
Disserve for something more
You are one to love
For all life long
He doesnt know what hes doing
But you have your own life to live
Does it have
