These are the four seasons of the year
Spring, Summer, Autumn and winter.

The flowers and the leaves are growing fast
growing fast, growing fast
The flowers and the leaves are growing fast
All spring long!

The flowers on the trees are colorful and bright!
colorful and bright, colorful and bright!
The flowers on the trees are colorful and bright,
All summer long!

The flowers and leaves are falling on the ground!
falling on the ground, falling on the ground!
The flowers and leaves are falling on the ground,
All autumn long!

The snow is covering the trees and the ground
trees and the ground, trees and the ground
The snow is covering the trees and the ground
All winter long!

These are the four seasons we know
Spring, Summer, Fall and winter.
