## Piotr Salata, How Wonderful You Are | Finał | The

I go out most nights Attracted by the lights

Listen to the jazz in Harry's Bar

And I know it won't be long

Before they play that song

Do you know how wonderful you are

It's a sentimental sound

Make me wanna fool around

With somebody who is wishing on a star

I'll pull my hat down low

Go up and say hello

Do you know how wonderful you are

Oh we struggle with the art of conversation

And there'll be those for whom this song has no appeal

But I know it works for me

And I'm sure you will agree

That it illustrates exactly how I feel

Things can happen fast

Some things are built to last

I've seen it all go down in Harry's Bar

Though we've only just begun

This sure will run and run

Do you know how wonderful you are

I've always struggled with the art of conversation

And there'll be those for whom this song has no appeal

But I know it works for me

And I'm sure you will agree

That it illustrates exactly how I feel

Things can happen fast

Some things are built to last

I've seen it all go down in Harry's Bar

Though we've only just begun

This sure will run and run

Do you know how wonderful you are

Do you know how wonderful you are

Do you know how wonderful you are
