

# Piqued Jacks, Like An Animal (Eurowizja 2023 - S

C'mon, baby, come and find me  
I can smell you like an animal (Animal, oh)  
And bring the party, Aphrodite, and I'll chase you on the dancefloor

You have, you have a snake eyes  
And I get, I get butterflies, oh  
You have, you have a snake eyes  
With the hips, with the sex that could paralyze  
And I get, I get butterflies  
In my ears, in my stomach all the time

C'mon, baby, come and find me  
I can smell you like an animal (Animal, oh)  
Bring the party, Aphrodite, and I'll chase you on the dancefloor  
Oh, c'mon, baby, come and find me  
I can smell you like an animal (Animal, oh)  
Bring the party, Aphrodite, and I'll chase you on the dancefloor, yeah

You have, you have a biting tongue  
And it gets, it gets me so unstrung, yeah, oh  
You have, you have a biting tongue  
To tie me up and deviate my inner thoughts  
And it gets highly dangerous  
Like a drug in my veins, you are poison

C'mon, baby, come and find me  
I can smell you like an animal (Animal, oh)  
Bring the party, Aphrodite, and I'll chase you on the dancefloor, yeah  
Oh, c'mon, baby, come and find me  
I can smell you like an animal (Animal, oh)  
Bring the party, Aphrodite, and I'll chase you on the dancefloor, oh

Oh, c'mon, baby (I can smell you like an animal)  
Yeah, c'mon, baby

The way, she knows the way  
The way to turn me on  
The way (She knows the way), she knows the way (She knows the way)  
The way to turn me on
