

Pissed Jeans, False Jesii Part 2

(Utwór z reklamy Off Festival 2012)

I know there are things going on tonight, but I don't bother
Only ten minutes across town that's right, but I don't bother

I could put on a tight black shirt, but I don't bother
I could hit the gym so it looks real nice, but I don't bother
I could tell a joke and make the whole room laugh, but I don't bother
I could show up with the coldest six pack, but I don't bother

No to everything

I could match you drink for drink, but I don't bother
I know I could make her boyfriend mad, but I don't bother
I could captivate with a story of mine, but I don't bother
I could go on and start a conga line, but I don't bother

No to everything
