

Pitbull, Hurry And Wait

Hee's baaacckk!!

To rip on this track, I'll rip any broad

I don't care, white or black!

Hee's baaacckk!

If Pit's on da job, then there's no need to worry

Dog just hurry up and wait,

'cause I aint Going no where anytime soon

Sick what these rappers wanna be?

That's me, times 2

Now

Get ready for me to take over this game

I'm cutting da flow, like I'm cutting da cane

Things will never be da same

Pause

There's a lick for 50 bricks

Now pause

And think about it

Then pause

Is it really worth it?

Then pause pause

F**K YEAH!!!

I'm ready to go, jump in da ride

Get da mask, get da gloves

Cut off da lights, pop da gat

Run inside, fire'em up or tie'em up

But don't forget to pick up da prize

And upgrade the ??

If they don't give up da pies

Now

I would hate to have to calm these boys down

'cause to be honest I can't, so Pal

Why don't you just give us da keys and pounds

Now Guess What He Said?

(Chorus 2x)

Ya'll want my spot?! Hurry up and wait!

Ya'll want me to stop?! Hurry up and wait!

Ya'll want me shot?! Hurry up and wait!

Ya'll hurry up and wait! Ya'll hurry up and wait!

I've been brought up,

By street cats who didn't get caught up

Like that New Jack Nino Brown at da Carter

I'm da new Tony Montana, only I'm just a

Little bit smarter!
