

# Pitbull, Jumpin (feat. Lil Jon)

Mr. Worldwide  
Pequeno Juan  
Let's get this thing jumpin!

Hold up  
3, 2, 1, Let's go now!  
We don't pull up til the party jumpin!  
Ese culo twerkin', jumpin'  
Too lit, I can't stop jumpin'  
Todo el mundo brincando (jumpin')  
It's your birthday, girl (get jumpin')  
Dale loca, toma (jumpin')  
Dale loca, toma (jumpin')  
Another round of shots, this party's jumpin'

Pack it up, pack it in, I came to sin  
If she's with me, you know she's a 10  
Quarterback, sack 'em, billions, stack em'  
8 Ball corner pocket, game over, rack em'  
Get up, stand up, come and get your hands up  
I was raise by Luke, so go and raise the roof  
I stay clean like a fresh triple beam and in '93  
It was all a dream, brass monkey, that ass chunky  
Pass me the voli and roll me the funky  
She got an ass like a seven tre donk and  
She don't make it clap, she make it jump

Hold up  
3, 2, 1, Let's go now!

If it's an IG pig, you know I don't trust it  
But if she's thick, then you know I'll buss it  
I came to get down, we came to get down  
Now throw your hands up and jump around
