

Pitbull, Party of a Lifetime

Put your hands in the air (Mr. Worldwide)
Wave 'em like you don't care (Play-N-Skillz)
We gon' party like it's your birthday
Everybody say eeeyoooo

It's a Happy Birthday to you (it's a birthday every day)
Feliz Cumpleaños a ti (every day your birthday)
We gon' have good time, alright
Party of a lifetime all night
We gon' have good time, alright
Party of a lifetime all night

Eeeyoooo

When I pull up
Everyday my birthday
Now let's turn up baby, okay
Now let's get away baby like O.J.
But first baby gotta give me some foreplay
If you came to party say hell yeah (hell yeah)
Put your drinks in the air
And toast to the party of the year
Like * yeah
Let's ride

You've got one life to live
Let's get loose it's alright (alright, alright)
Come on everybody
We gon' do this all night (all night, all night)

You've got one life to live
Let's get loose it's alright (alright, alright)
Come on everybody
We gon' do this all night

We gon' have good time, alright
Party of a lifetime all night
We gon' have good time, alright
Party of a lifetime all night

Cuz we're gonna party, party, party (every day my birthday)
We're gonna party, party, party (every day your birthday)
We're gonna party, party, party (every day your birthday)
Party of a lifetime alright

Eeeyoooo

One time to the left you know
We gon' set this thing off right (right)
Two steps to the right
Drinks into the sky we gon' feel alright (alright)
To the front, to the front, to the front
Dale baby you can do it all night (all night)
Take it back, take it back, way back
Like we doin' the Electric Slide (one more time)

One time to the left you know
We gon' set this thing off right (right)
Two steps to the right
Drinks into the sky we gon' feel alright (alright)
To the front, to the front, to the front
Dale baby you can do it all night (all night)
Take it back, take it back, way back
Like we doin' the Electric Slide (one more time)

We gon' have good time, alright
Party of a lifetime all night
We gon' have good time, alright
Party of a lifetime all night

Cuz we're gonna party, party, party (put your drinks in the air)
(every day my birthday)
We're gonna party, party, party (put your hands to the sky)
(every day your birthday)
We're gonna party, party, party (this rounds on me baby, haha)
Party of a lifetime alright

So tell the bartender to line up some shots, dale
