Verse 1 (Anjuli)

I fear not what the future holds  
But more what the future unfolds  
Cause I'm dying each time that I breath in life with out you  
Every hour is solemn I need you  
I'm devoured, I've fallen now what can I do  
There is so much to give  
If only I had my hands to fix what you did  
So I hold it inside,  
Watch as it dies,  
I can't even look at the sky,  
It's burning my eyes,  
Similar to cigarette smoke,  
I wish I could float far away from here.
