

# Pitbull, Tell Me (Remix) (Featuring Frankie J & Ken Y)

Mamita why we gotta keep going through this  
Talk to her Frankie  
(verse 1)

Just Yesterday you said you loved me  
That there was nobody else above me  
that i was yours and you were mine  
that there was no limits to our skies  
But then you had to put our love on hold  
when it came to making love it wasn't you anymore  
and now your telling me to leave  
I gotta walk out the door  
cant you see that this is killing me  
Its hurting my soul  
oh baby

Frankie J & Ken Y  
(Chorus)

How am i supposed to leave you  
When my heart tells me to keep you  
how can you ask me to let you goooo  
No I just cant let you go  
No I just cant let you go  
(Nooo)  
Cant you see Im slowly dying  
But Im gonna keep on trying  
Please dont ask of me to let you goooo

Pitbull  
(Verse 2)

Let me start  
By telling you I love you with all my heart  
But i cant understand the reason  
When you tell me your leaving  
Girl me and you were suppose to be forever and ever  
Now instead of being in love  
Its like we are use to each other  
How could we do this to each other  
We use to ride for each other  
Die for each other  
Cry for each other  
Now its like all we wanna do is say is bye to each other  
I cant let this happen  
I refuse to lose you  
I love you baby  
Its the truth as usual  
I wanna make you happy  
Girl it aint hard to see  
you mean the world to me  
we had been though it all  
thick or thin right or wrong  
I cant let you go 'cause this love is too strong

Frankie J & Ken Y  
(Chorus)

How am i supposed to leave you  
When my heart tells me to keep you  
how can you ask me to let you go

No I just cant let you go  
No I just cant let yo go

(Nooo)  
Cant you see Im slowly dying  
But Im gonna keep on trying  
Please don't ask of me to let you go

Pitbull  
(Verse 3)

Look baby just tell me what you want  
Look baby just tell me what you need  
Look baby i know im far from perfect  
But the game and the money they can take cause its worthless  
I know its hard to deal with my life  
I know its hard to deal with all the gossip  
I done seen em wit this one  
I done seen em wit that one  
But everything they say is monotonous  
Cant you hear it in my voice  
Mami you know your my heart my soul my love  
And I swear to you baby  
I just want to give you my heart my soul my love  
I know we can work this out  
I know we can  
Baby lets try  
But one thing I wont do is let this love die  
(Is let this love die)

Frankie J & Ken Y  
(Chorus)

How am i supposed to leave you  
When my heart tells me to keep you  
how can you ask me to let you goooo  
No I just cant let you go  
No I just cant let you go  
(Nooo)  
Cant you see Im slowly dying  
But Im gonna keep on trying  
Please don't ask of me to let you goooo

Ken Y  
(hook)

Believe me, yes Im trying to let you go  
But the only thing I get from it is all this crying  
Tell me how am I suppose to let you goooo  
no no noooo

Frankie J & Ken Y  
(Chorus)

How am i supposed to leave you  
When my heart tells me to keep you  
how can you ask me to let you go  
No I just cant let you go  
No I just cant let you go  
(Nooo)  
Cant you see Im slowly dying  
But Im gonna keep on trying  
Please don't ask of me to let you gooo
