

Pixies, Blue Eyed Hexe

I went to make the vivisection
Saw the star carved on the chest
Got lost, attacking heaven
Caused through the gaze of the Blue Eyed Hexe

Blue Eyed Hexe
Blue Eyed Hexe
Hexe Hexe
Blue Eyed Hexe

I tried so hard
But I was not able
Scalpel's going down to her navel
I felt her burning in my soul to pieces
Give me the power, give me the Hexe

Blue Eyed Hexe
Blue Eyed Hexe
Hexe Hexe
Blue Eyed Hexe

I tried to nix it, find the brakes
Spirits take me to the streets
I clawed my eyes to stop my heresy
Stop the burning of the Blue Eyed Hexe

Blue Eyed Hexe
Blue Eyed Hexe
Hexe Hexe
Blue Eyed Hexe

Blue Eyed Hexe
Blue Eyed Hexe
Blue Eyed Hexe
Blue Eyed Hexe
