

Pixies, Make Believe

I've been lost
Since she's gone
That piano
She's kneeling on

I don't want you to
Marry me
Make believe
You're Debbie G.

I'm not down on
Who you are
She is love with a voice
And a shape that's like guitar

I don't want you
You want me
Make believe
You're Debbie G.
Make believe
You're Debbie G.

Make believe
You're Debbie G.
