

PJ Harding, Noah Cyrus, You Belong To Somebody Else

The way you look when you cry
Makes me wanna confess to you
The way you wear that dress
Like I couldn't mean less to you
And there's no reason keeping secrets
Maybe regret is a weakness

But all the jealous GOD's can burn me down
And start again

Cause you belong to somebody else
I didn't want to but I couldn't help it
And I know it's wrong
To call this sweet hell upon myself
You belong to somebody else

Don't wanna come home late
And make a mistake for you
It's easier to let a heart wait
Than make a heart break for you
I give you pieces of my secrets
Like religion to believe in

And all the jealous GOD's can burn me down
And start again

Cause you belong to somebody else
I didn't want to but I couldn't help it
And I know it's wrong
To call this sweet hell upon myself
You belong to somebody else
