

# PJ Harvey, Angelene

My first name Angelene  
Prettiest mess you've ever seen  
Love for money is my sin  
Any man calls I'll let him in  
Rose is my colour and white  
Pretty mouth, and green my eyes  
I see men come and go  
But there'll be one who will collect my soul  
And come to me  
Two thousand miles away  
He walks upon the coast  
Two thousand miles away  
It lays open like a road  
Dear God, life ain't kind  
People gettin born then dying  
But I've heard there's joy untold  
Lays open like a road in front of me  
Two thousand miles away  
He walks upon the coast  
Two thousand miles away  
Lays open like a road  
It seems so far away  
I see men come and go  
Two thousand miles until I reach that open road  
My first name's Angelene
