

# PJ Harvey, Hardly Wait

I can hardly wait  
I can hardly wait  
I can hardly wait  
I can hardly wait  
It's been so long  
I've lost my taste  
Say angel come  
Say lick my face  
Let fall your dress  
I'll play the part  
I'll open this mouth wide  
Eat your heart  
I can hardly wait  
I can hardly wait  
I can hardly wait  
I can hardly wait  
Lips cracked dry  
Tongue blue burst  
Say angel come  
Say lick my thirst  
It's been so long  
I've lost my taste  
Here Romeo  
Make my water's break  
In my glass coffin  
I'm waiting  
In my glass coffin  
I'm waiting
