

# PJ Harvey, In The Dark Places

We got up early  
Washed our faces  
Walked the fields  
And put up crosses  
Passed through  
The damned mountains  
Went hellwards  
And some of us returned  
And some of us did not

In the fields and in the forests  
Under the moon and under the sun  
Another summer has passed before us  
And not one man has (appeared)  
Not one woman has revealed  
The secrets of this world

So our young men hid  
With guns, in the dirt  
And in the dark places
