

# PJ Harvey, Rope Bridge Crossing

And I remember everything  
Sunrise on a blue horizon  
You, your hand in mine  
I remember the things you said

Said, "I'll be a lady, wait through it all,  
Be there to catch you, after the fall  
Run through the red light, out of my hair  
Run from the darkness into the dare"

And i dream of running  
And in the dream I, myself could run  
And i feel the ground beneath my feet  
And i move like music,  
You move me, like music

Head out of my way  
Head out to red light  
"Hold on" the dream says  
Head out of my life  
You said "I'd be there"

Now i'm treading very carefully  
And I hope that I don't scream  
And I hope that I don't fall  
Off your bridge, crossing over  
Sunny mountain, swollen riverfall

You said "I'd be there"  
You said "I'd be there"  
Through it all

Head out of my way  
Head of to red light  
"Hold on" the dream says  
Head out of my life

All over my way  
Head out to red light  
"Hold on" the dream says  
Head out of my life  
You said "I'd be there"
