

# PJ Harvey, Rope Bridge Crossing

And I remember everything  
Sunrise on a blue horizon  
With you, your hand in mine  
I remember the things you said  
Said "I'll be your lady, way through it all  
Be there to catch you, after the fall  
Run through the red light, out of my hair  
Run from the darkness here to the day"  
And I dream of running  
And in the dream I myself could run  
And I feel the ground beneath my feet  
And I move like music,  
You move me, like music  
Head out of my way  
Head out to red light  
"Hold on" the dream says  
Head out of my life  
You said "I'd be there"  
Now I'm treading very carefully  
And I hope that I don't scream  
And I hope that I don't fall  
Off your bridge, crossing over  
Sunny mountain, Swollen riverfall  
You said "I'd be there"  
You said "I'd be there", through it all  
Head out of my way  
Head of to red light  
"Hold on" the dream says  
Head out of my life  
All over my way  
Head out to red light  
"Hold on" the dream says  
Head out of my life  
You said "I'd be there"
