

# PJ Harvey, Rub 'Til It Bleeds

Speak I'm listening  
Baby I'm your sweet thing  
Believe what I'm saying  
God's truth I'm not lying  
I lie steady  
Rest your head on me  
I'll smooth it nicely  
Rub it better 'till it bleeds  
And you'll believe me  
Caught out again  
I'm calling you weak  
Getting even  
And I, I was joking  
Sweet babe let me stroke it  
Take, I give in  
God's truth I'm not lying  
And you'll believe me  
I'm calling you weak  
And I'll make it better  
I'll rub 'till it bleeds  
I'll rub it until it  
I'll rub it until it  
I'll rub it until it  
I'll rub it until it
