

# PJ Harvey, The Piano

Hit her with a hammer  
Teeth smashed in  
Red tongues twitching  
Look inside a skeleton

My fingers sting  
Where I feel your fingers have been  
Ghostly fingers  
Moving my limbs

Oh God I miss you

Daddy's in the corner  
Rattling his keys  
Mummy's in the doorway  
Trying to leave

Nobody's listening  
Oh God I miss you
