

# PJ Harvey, To Bring You My Love

I was born in the desert  
I been down for years  
Jesus, come closer  
I think my time is near

And I've traveled over  
Dry earth and floods  
Hell and high water  
To bring you my love

Climbed over mountains  
Travelled the sea  
Cast down off heaven  
Cast down on my knees  
I've laid with the devil  
Cursed god above  
Forsaken heaven  
To bring you my love

To bring you my love  
To bring you my love  
To bring you my love

I know he's gonna be here  
He know he's gonna be here  
Yeah alright

Forsaken heaven  
Cursed god above  
Lay with the devil  
Bring you my love

To bring you my love  
To bring you my love  
To bring you my love
