

PJ Harvey, To Bring You My Love

I was born in the desert
I been down for years
Jesus, come closer
I think my time is near
And I've travelled over
Dry earth and floods
Hell and high water
To bring you my love
Climbed over mountains
Travelled the sea
Cast down off heaven
Cast down on my knees
I've lain with the devil
Cursed god above
Forsaken heaven
To bring you my love
To bring you my love
To bring you my love
To bring you my love
I know he's gonna be here
You know he's gonna be here
Yeah alright
Forsaking heaven
Curse god above
Lay with the devil
Bring you my love
To bring you my love
To bring you my love
To bring you my love
