

PJ Harvey, Who Will Love Me Now

In the forest, is a monster
It has done terrible things
So in the wood, it's hiding
And this is the song it sings
Who will love me now?
Who will ever love me?
Who will say to me
"You are my desire, I set you free?"
(Who will love me now?)
Who will forgive and make me live again?
Who will bring me back to the world again?
In the forest, is a monster
And it looks so very much like me
Will someone hear me singing?
Please save me, please rescue me
Who will love me now?
Who will ever love me?
Who will say to me
"You are my desire, I set you free?"
Who will love me now?
Who will ever love me?
Who will say to me
"You are my desire, I set you free?"
(Who will love me now?)
(Who will ever love me?)
Who will love me now?
Who will ever love me?
Who will love me now?
Who will ever love me?
Who will love me now?
Who will ever love me?
