Place Of Skulls, Return

Last night I lay dreaming Of days and nights gone by My heart was drowning Underneath a bridge of sighs.

Return to Me, Return to Me my child Return to Me Return to Me my child

I wept within a vision Followed with a will Saw Him there, His cross to bear And I am grieving still.

Conception of a disappointment In an afterbirth of sin Wasted years of denial Too much pride and the fear of man.

[Lyrics by Victor and Anne Griffin-Music by V. Griffin - 2001]
