

Placebo, Bubblegun

Take this migraine everywhere I go
Take the fast lane everywhere I go
Take this migraine everywhere I go
Someday, gonna take it slow

Take this migraine everywhere I go
Take the fast lane everywhere I go
Take this migraine everywhere I go
Someday, gonna take it slow

I wanna turn you on
Feels like a loaded gun
Spit out your Bubblegum
I wanna...Wanna... [x2]

I wanna turn you on
Feels like a loaded gun
Spit out your Bubblegum
I wanna... I Wanna... [x4]
